Greetings, Fellow Republicans!

*Saddle up your horses - we've got a trail to blaze!* The Campbell County Republican Convention is two days away. It will be hosted at Prairie Sky Venue - 1120 Highway 50 - and will begin promptly at 9:00 am. Check in will begin at 8:30, and everyone must check in and receive their name badges.

You have each received, by email, a Convention Packet which contains the agenda, convention rules, proposed by-laws and/or platform changes, and proposed resolutions. Our current by-laws and platform are also available on our website. A limited number of printed packets will be available at convention. Plan on printing your own packet or having the electronic version readily available to you.

We will be serving lunch - A Big, Beautiful Taco Bar - at a charge of \$15 per person (cash or check, please). This will save time, especially since we are a ways out of town, and it will help us to replenish some of the cost of hosting Caucus and Convention. I hope that everyone will decide to stay and join us for lunch. We will also have a coffee bar and will provide coffee throughout the day.

With sincere appreciation for your commitment to our party's long-term success,

Joni Siebenaler  
Secretary  
Campbell County Republican Party
