

Wyoming Republican Party Platform

- Yes ☒ WE believe there are Timeless Truths that will always inform and direct our party and our country regardless of current events and circumstances, changing strategies, goals, and leadership. These Truths, put into action, maintain, protect, and defend our unalienable rights to Life, Liberty, Property and the Pursuit of Happiness.

LIFE

- Yes ☒ 1. All individuals are endowed by their Creator from the moment of conception to the moment of natural death with the rights to Life, Liberty, Property, and the Pursuit of Happiness. The only purpose of government is to protect these rights for all.

EQUALITY

- Yes ☒ 2. Every citizen is equal before, equally protected by, and equally subject to, the law.

SECOND AMENDMENT

- Yes ☒ 3. The right of individuals to keep and bear Arms and ammunition shall not be infringed, restricted, or denied. Individuals must never be prevented from defending life, liberty, or property, and defending against tyranny.

PRIVATE PROPERTY RIGHTS

- Yes ☒ 4. The pursuit by an individual to rightfully acquire, keep and enjoy his own property is foundational. Every individual has the right to develop his own potential, to use and enjoy his own property, tangible or intellectual, and pursue his own interests, free from restrictions of arbitrary force. Individuals are always presumed to be the best stewards of their property.

- Yes ☒ 5. The Wyoming Republican Party supports the protection of private property from the use of eminent domain, civil asset forfeiture, amortization or inverse condemnation.

RELIGIOUS FREEDOM

- Yes ☒ 6. The freedom to practice one's faith is a God given fundamental natural right, secured by both the Constitution of the United States and the Wyoming Constitution and shall never be infringed. The First Amendment does not require the expulsion of religion from public life. We must keep in mind the Judeo-Christian principles of the Founding Fathers when they wrote it; the practice of faith under this tradition encourages good moral behavior and the development of character that helps secure the other fundamental bases of our national citizenship. Freedom of religion, and the free exercise thereof, includes the right to abstain from actions contrary to one's religious beliefs.

FAMILY VALUES

- Yes ☒ 7. The Wyoming Republican Party believes in God's created order: that in His perfect design He created two sexes, male and female.

8. Marriage is defined as the union of one man and one woman.

Yes ☒ Maybe ☐ No ☐

- Yes ☒ 9. The traditional family, based on the foundation of marriage between one man and one woman, is the best institution and is the authority providing children with education and training.

LIBERTY

- Yes ☒ 10. No medical procedure, modality, or treatment should ever be mandated under any circumstances.

- Yes ☒ 11. Liberty is indivisible from economic freedom. The free-market economy is the economic system most compatible with the requirements of personal freedom and constitutional government. Government's undue interference in the market, as well as the fiscal irresponsibility of government, results in economic inequity. There exists no fundamental right to the fruits of another person's labor.
